About Application

Welcome to the Bihar State Coordination Portal, an initiative by the Government of Bihar under the leadership of the Chief Secretary. This application serves as a centralized platform for effective issue tracking and resolution across Bihar all departments. Designed to streamline inter-departmental communication, it enables each department to log, monitor, and resolve project-related issues efficiently, ensuring timely clearances and collaboration. With separate dashboards for department and state-level nodal officers, the portal empowers government officers to oversee and manage project challenges, prioritize critical tasks, and drive coordinated solutions across departments.

This portal is a step towards transparent governance and enhanced project oversight, promoting accountability at every level. By tracking issues and clearances in real-time, it enables the Chief Secretary and other senior officials to make informed decisions, address bottlenecks, and ensure the smooth execution of government projects. The platform is tailored to the unique operational needs of Bihar's departments, fostering a collaborative environment to achieve impactful results for the state's development initiatives.

Hon'ble Chief Minister

Shri Nitish Kumar
